# *EDITORIAL NEWS AND VIEWS*

Dear Readers

I have spent a great deal of time during October picking and freezing raspberries, blackberries, apples and other fruits for making jams and lots of delicious desserts throughout the winter. This gave me the idea of having 'Recipe of the Month', which I hope will become a regular feature of seasonal recipes. For November it has to be Parkin, lovely to eat round the bonfire. If you have a favourite seasonal recipe you would like to share please email it to me for inclusion in the magazine.

Now that all my fruit has been picked, it is time to start the annual round of pruning. A gardener's work is never done, but the rewards of your efforts are so worthwhile.

Finally, on bonfire night, don't forget to make sure that all your pets are kept safely indoors on 5th November.

*Elizabeth*

Its..... **Allo Allo**

for the first time on tour. The same show so many of you have seen and loved (although with some new bits, new characters and players) and brought back by popular demand somewhere else! If you see what we mean.

Now is your chance, if you missed this great show in the past or would like to see it again (or in the case of a lot of you again and again)

If you have not been to our Allo Allo before we should warn you that we turn the venue into the Cafe Renee and you, the audience, become the café customers. Typical French food will be served during the course of the evening where you will be welcomed by our host and hero of the resistance Renee Aortas and his identical twin's widow Edith (you have to keep up with the changes in the plot) together with the usual characters, French, German, English and Spanish.. Although optional we would encourage you to come along in period costume. We always look forward to lots of French Onion sellers.

# Christingle Service

Did you know that up to 100,000 children in Britain run away from home every year? That many young refugees struggle to find the support they need? The money raised at Christingle services this year will help The Children's Society's work in supporting as many of these children and their families as possible. It also works to give disabled children a voice, and helps young people in trouble with the law to escape from a cycle of poverty and crime.

This is an occasion for all the family. There will be a craft workshop for under 12s between 10.00 am and 12 noon and the Christingle service takes place at 6.30 pm in the evening. ( If you came last year you'll recall it was a memorable event.).

It all happens at the Kingsley Community Centre and is a joint Methodist /Anglican endeavour. At the service there will be a collection for the Children's Society. Please note the date!

A Christingle Service, with a Workshop for children in the morning, will be held in Kingsley Community Centre on Thursday 23<sup>rd</sup> December, 2010.

HEADTEACHER Mrs Ann Griffiths  
*VISITS WELCOME ANYTIME*

Dear Readers,

We have been reflecting recently on Harvest as we see around us the wonderful colours of autumn. One of the highlights was the chance for all the children from the school to visit Church to consider harvest from a range of perspectives, and to take part with their families in a special Service on the Sunday. Thanks to the Church for their help in arranging this. The children thought it was amazing – here are their accounts! Visit the Church website for the full account and photographs.

*On Friday the 1st of October Kingsley St. Johns children went to our church for a Harvest Festival. We went round some stations of the harvest anticlockwise. They were fun and we learnt about the harvest of the wool, sea and earth and we made paper boats, candle holders, lit candles and plants. Each time we went to a station we got a fruit with a word on like peace, kindness and joy and so on..... I really enjoyed my day at church and I hope we do it again! **By Matthew Hill***

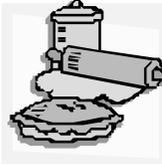

*At the Harvest Service on the 3<sup>rd</sup> October a number of St. Johns school children and their families attended. The hymns Autumn Days and Colours of the Rainbow were sung, as well as traditional church hymns. Some children talked about what the children of St. Johns school did on a special activity day. The final harvest was called the frugal harvest, in this activity the children thought about those countries whose crops failed and lit a candle for them. Mrs. Merrington, then told the people to write a prayer of thanks on the backs of some fruit shaped cards. These cards had words like hope, patience, generosity, peace and love on them. We then hung them up in a small version of the Jewish prayer shelter called a Sukkot, Mrs Merrington told us about sukkots and how the followers of God had slept in them. Some younger children from St. Johns read out a prayer together and then the service finished. **By Heather Stockdale***

Our themed open day held recently, also saw a range of practical activities linked to the season and environmental concerns. *If you missed it, please ring the school on 01928 788536 to arrange an appointment to come and look round the school.*

The staff, children and headteacher of Kingsley St. John Church of England Primary School.

## KINGSLEY GARDEN CLUB

Jeff Hutchings of Laneside Alpine and Hardy Orchid Nursery is the biggest grower of hardy orchids in the country, and at our October meeting he quickly dispelled some of the myths and mysteries surrounding the growing in our gardens of these beautiful and often exotic looking plants.

He explained that there are a number of different species, none of which should be confused with indoor orchids, and that they can be grown in the open ground, in pots, cold frames or in cold greenhouses.

Some of course are easier to grow than others and it is logical that they can have different requirements depending on what their native habitat is. They also have different periods of dormancy so that their flowering times are different, but what is important to remember is that surprisingly they can be killed by too much TLC as both overfeeding and over protecting are not to their taste. Needless to say, our native orchids are obviously the best suited to our own growing conditions.

He stressed that it is important to make sure that they are obtained from a reputable nursery, and not dug up from the wild, and that paying a little extra in order to get a mature plant is very well worth while.

After this informative talk with the mouthwatering photographs, some of us who have never tried growing hardy orchids may now decide to have a go!

Next meeting:      November 8th  
                                 ‘Round the World in a Garden’ by Sheena Heskth  
                                 Community Centre at 8.00pm  
                                 Visitors welcome

## CASTLE PARK ARTS CENTRE

### **Open Art Exhibition: 12th November - 17th December**

Castle Park Art Centre's Open Art Exhibition has become an annual fixture for many artists and visitors alike. Last year this vibrant show was packed with around 240 art works by nearly 140 artists. The result was a hugely popular exhibition - an exciting and stimulating collection of paintings, textiles, photographs, ceramics, glass - and more.

Once again this autumn we shall be dedicating all three galleries to the Open Art Exhibition. Heidi Bell, one of the Centre's new trustees, says, "I can't wait to see what work will be submitted this year. It's always amazing to see the talent that's out there."

The exhibition arouses a lot of interest from amateur and professional, local and regional artists alike, so if you fancy entering a piece or three for selection this year then get your paint brush, collage or embroidery out now! There is no theme to work to so you can use anything you like for inspiration.

Please come along to our Open Evening on Friday the 12<sup>th</sup> November 7pm – 9pm. everyone welcome.

### **Litter Pick Update**

On **Saturday 9th October** 10 of our litter pick team cleared the village of 10 bags of litter. A special thank you to Bert and Berra Brooker who realising that the road was closed took the opportunity to clear The Slack. Thank you to the team and also to those who collect litter as they walk around the village.

The next litter picks will be on **Saturday 6th November and Saturday 4th December** starting at 10.00 am at the Community Centre. New helpers are always welcome. We provide all the equipment needed.

Eila Birtwistle – Litter pick co-ordinator.

The speaker at the October meeting was Dr Clare Mather-Dodd from the Chiropractic Clinic in Northwich. She gave a very clear explanation of her work and members were impressed with the diagnosis techniques and care of the treatment given.

Activities this month include the walk on 11th, lunch at the Abbey Arms on 22nd and scrabble every Thursday.

The November meeting will be on 3rd. This will be the AGM followed by a "hands on" demonstration and lesson in beading by Lynn Blyth.

## **Kingsley, Crowton and Norley Mothers' Union**

We welcomed six members from St Peter's, Heswall, Mothers' Union to our October meeting. The evening started with a short service in church with an opportunity to see the Harvest displays from the previous Sunday, followed by refreshments and social time in the Church Room. To quote part of their thank you letter "Your harvest windows were really imaginative, also involving the young taking part. We loved the red carpet. Great cakes and music as well, we couldn't want for anything more!" Some of our members had given them a short 'recital' on the Belleplates, then let them have a go. They were very good.

Mrs Jeanette Appleton will talk about 'Round the World in over 78 Countries' on 2 November at 7.30 p.m.

We meet monthly in the Church Room, Kingsley, on the first Tuesday in the month at 7.30 p.m. and anyone is welcome to join us.

## KINGSLEY WALKING GROUP

On the 29th of September 11 walkers, set off from the Salt Barge in Marsden, for a five mile walk. Initially along the Trent and Mersey Canal ( a favourable route for some) which they crossed and entered Marbury Country Park, eventually reaching Budworth Mere, a haven for birds of all kinds.

After stopping for liquid refreshment (non alcoholic) they continued on their way collecting maps and heritage information from the rangers accommodation, which enabled them to pick out points of interest in this large area of woodland and lakes, which attracts large numbers of wildlife. Herons seemed to be particularly attracted, possibly because of the fish stocks in the mere.

At last they returned to the Inn and enjoyed an inexpensive repast, which, with the lack of rain and the reasonably warm weather, finished the Day on a high note.

On Tuesday, 12th, October a smaller than normal group of the Kingsley Walkers and a dog travelled to Willaston for a 7 mile walk under the guidance of Brian Russell.

From Hadlow Road Station by the Wirral Way the route followed a field path to Mill Lane and a succession of further paths to skirt the Eastern edge of Neston village before arriving on the shore of the River Dee at Denhall. The party had walked under an overcast sky but at Denhall the sun broke through. Lunch was taken on Denhall Quay the site of a former packet boat service to Ireland following the silting up of the Port of Chester, this however was short lived and Parkgate 2 miles west developed into a more used location. Denhall was also the site of a colliery open in the 17th century and closing in 1926. After lunch the party made their way via paths to the Wirral Way for the return route to parked cars at Willaston, to end an enjoyable outing.

Kingsley Walking Group have two walks each month, meeting at the Community Centre at 9.30am. On the second Tuesday there is a long walk, bring a packed lunch. On the last Wednesday a short walk with a coffee break and a pub lunch. We are a friendly group. For more information tel. 787055 or visit our website at [www.kingsley.walkers.btinternet.co.uk](http://www.kingsley.walkers.btinternet.co.uk)

5. Sightings please for a White vehicle with a number similar to RES 4 WK. This vehicle was seen in suspicious circumstances in both Kingsley and Newton.
6. I am grateful to the caller who reported a prowler in Sutton Weaver this week. Officers attended at 4am on Monday and found a former resident of Sutton Weaver drunk in the street. The man was wanted for a serious assault and subsequently arrested and charged and appeared at court on Tuesday.
7. I gave observations out two weeks ago for an Audi A 3 index number P 141 PLL whose occupants were responsible for thefts from shops in Frodsham. We have traced the driver of that vehicle and have prosecuted him for Theft.
