# EDITORIAL NEWS AND VIEWS

Dear Readers

Many residents of Kingsley would like to know when they can expect the long awaited faster broadband service. BT held an event recently regarding broadband, which was attended by Simon Sherlock, who reports as follows:

"There was a broadband roadshow in Tarporley to explain about fibre optic broadband coming to Cheshire. The exact map of the area is available at <http://www.connectingcheshire.org.uk/check-availability> but isn't very clear. It pretty much tells us that \*some\* of Kingsley will be getting fibre in MARCH and most of the rest in the summer. Rumour has it (but this can't be verified) is that those who connect to a cabinet should be getting it first (with speeds of up to 80mbps, compared with up to 8mbps at the moment). Those who connect direct to the exchange may be getting it later but they will get speeds of up to 300mbps! If you check availability on the website given above then you should be able to register and will get more news as it becomes available."

# And Evermore Shall Be So

A play by Norman Robbins

By kind permission of Samuel French Ltd

A murder mystery with more than a touch of humour.

Taking its title from the traditional song “Green Grow the Rushes O” the play explores the events surrounding a murder which took place four years previously and how strangely the song lyrics seem to fit so well with the circumstances. The action focuses on the repercussions that can be felt where there is “something wrong with the village ... A sense of evil about it ...”

An author, cousin of the Vicar’s wife, arrives, having been encouraged to write a book about the murder. Old tensions and suspicions are brought to the surface as not everyone is in favour of raking up the past. The story twists and turns leaving you guessing until the very last speech of the play.

March 12th - 15th at 7.30pm - Kingsley Community Centre

Tickets cost £7 (£5 concessions Wed and Thurs) and can be booked through the website box office

Tickets priced £7.00 (£5.00 concessions Wed & Thurs)

## **Notes from the Parish Council meeting held 21<sup>st</sup> of January 2014**

### **Planning**

January was a quiet month for planning applications, with no new applications being received. During the December meeting, councillors decided that they needed a further guidance from Cheshire West's planning department about various aspects of planning policy. In particular, councillors requested up to date guidance on the definition of "infill development" and a clear definition of village boundaries and how these affect applications. The reason for this is that councillors are keen to provide appropriate comments on planning applications which will be taken into consideration during the planning process.

A representative will attend the February meeting to provide this briefing.

### **Budget & 2014 Precept**

The December meeting had agreed a budget for 2014/15 which was in line with last year's budget. Based Kingsley Parish Council's budget there should be no increase in the precept. An open tendering process for maintenance of the cemetery, footpaths and village field resulted in no change to the contracts. They are Northwich Town Council and Richard Cheetham (cemetery).

### **Issues arising from the Hunt**

Following last Sunday's hunt, there were several complaints about the parking of horse boxes around the village which had blocked roads and caused inconvenience. It was agreed that the organisers should be approached and offered parking on the village field for future events. This should alleviate the problem in the future.

### **Use of Horseshoe Car park**

The landlord of the Horseshoe pub approached the Council with a request for help in dealing with a growing issue of people using the entrance to the car park as a turning circle. On some mornings they have counted 30 cars in one hour using the car park in this way. This practice is dangerous because the area is also a pedestrian pavement. It was agreed to ask Cheshire West for help in addressing this problem including the possible use of signs. In the meantime, everyone is asked to stop using the entrance to the car park in this way.

## **Dogs on the Play Area**

The Parish Council is keen that the field should be accessible by everyone in the community and this has been mainly very successful. There are issues about dogs being on the paved play area. This causes distress to some children and is potentially dangerous. Councillors have been keen to find a way of accommodating everyone. With this in mind, dog owners are asked to keep their dogs away from the play area and a sign asking that dogs should stay on the main part of the field will be put up. We will keep an eye on the situation and take further action if needed.

## **Community Centre News**

As many people may be aware a number of things have been happening at the community centre over the last couple of months. This has included placing a new wooden floor for the main hall, new double glazed windows and blackout blinds.

The KCA would like to thank Cheshire West and Chester's Rural Support Programme for the grant which made this refurbishment possible.

We would also like to thank Kingsley Players who have been performing Allo Allo across much of Cheshire for the last few years and have been extremely generous with their donations, enabling us to match the grant funding.

Over the last couple of years we have also been negotiating a new lease for the centre with CWaC. This has recently been renewed, for a period of 28 years.

As we have this superb new wood floor, we are looking to start some dance classes. If anyone is interested then please email me at [mrpb\\_kca@yahoo.co.uk](mailto:mrpb_kca@yahoo.co.uk). Depending on the interest we may be able to organise both evening and daytime classes.

We also have regular Pilates on Tuesday mornings from 9.30-11.45, Yoga from 6pm on Tuesday evenings run by Mid Cheshire College and Tai Chi from 1.30 on Wednesdays. KU17s on Thursday evenings in term time from 7pm. If anyone has any other suggestions then please get in touch or get involved with helping to keep this excellent facility available for the village.

## Kingsley Parents go back to school!

On Tuesday 14<sup>th</sup> January some of the Year One parents at Kingsley Community Primary School went back to school to experience lessons, and join in with the children and their learning. They came and had a lovely school lunch of BBQ pork loin or chilli bean casserole in our gorgeous new canteen, and then had teas and coffees with Mrs Fiona Rimmer (headteacher) before their lessons began.

The parents were very positive about the whole experience, and seemed to enjoy working with their children on a challenging activity. Parents and children were asked to make a model of a toy with a moving part. Ideas included robots with moving buttons, vehicles with moving wheels and an aeroplane with a moving propeller.

Mrs Mills the class teacher said:

"It was superb to see so many parents taking part and having fun. Once initial apprehensions were overcome, the parents came up with excellent ideas to help encourage the children with their learning."

Each week a different year group will have their parents coming back to school to join in with their lessons.

It was a huge success and a fabulous fun filled learning experience was had by all!

'This is a good school. Outstanding care, guidance and support from teachers and teaching assistants ensure that pupils are happy in school and enjoy the many and varied activities open to them.'

coming back?

Would you like to stop just for a moment?

Do you catch glimpses of another

about that?

Do you have a sense of the spiritual but

# LATEST NEWS FROM KINGSLEY ST JOHN'S SCHOOL

February 2014

## KSJ Christmas Runners Up

The school is now well into the Spring term but we still have one or two Christmas events to celebrate.

Chester Cathedral held it's first ever Christmas Tree Festival. A competition which involved over forty Christmas trees being decorated by local schools and businesses. Along with our Art Co-ordinator, Miss Coote, the children got their creative juices running and they came up with a fantastic idea of decorating candles. The children enjoyed the activity and the good news is that we were pronounced runners up in the schools category. As this was also a charity event, proceeds from the festival went to the Hospice of the Good Shepherd. Well done KSJ and a big 'thank you' to Miss Coote.

Our second and very popular Christmas event was the Pantomime at the Brindley Theatre.

'Oh yes it was!'

This year's pantomime was Beauty and the Beast. It was a very professional performance, with dancing, music, singing, comedy and of course the obligatory ghosts! The costumes were flamboyant and the sets colourful. It was a magical morning for the children and what better way for them to experience theatre. Some of the children said:

"The beast was scary but nice in the end"

" I loved the dancing and the music"

" Belle looked beautiful , all the costumes were fantastic"

A wonderful time was had by all!

Class 2 are getting their hands dirty!

They are learning about the terracotta warriors in Art as part of their topic on China. As well as designing and making small figure models based on Henry Moore's sculptures they will be making two life size terracotta warriors.

So keep a look out!

***NEWS & VIEWS FROM YOUR LOCAL FAMILY FARM***

I hope you all had a Merry Christmas, although not a white one. The mild wet weather continues and will continue until the jet stream moves and allows a high pressure to build from the east. This may happen soon, and we will have a taste of proper winter. As the old proverb says: "As the days grow longer, the cold grows stronger". February can be a sting in winters tail, or it can be a mild early start to spring. Daffodils and other spring bulb's leaves were showing at Christmas and our seed potatoes have broken dormancy and are starting to sprout. Wheat is still green in the fields and catkins were out at New Year. A cold snap now would be a huge shock to these plants. We have been lucky in having missed most of the floods recently. The south-west and south-east of England have fared much worse. The fields are nowhere near as wet and sodden as they were this time last year.

The badger cull has descended into a bit of a farce with only about half the numbers of badgers culled as was predicted. The anti-cull protesters say that it is because of their actions. Defra say the cull will continue in the pilot areas next year. Next week, 20<sup>th</sup> January is our annual TB test.. Every animal on our farm has to be tested to see if any has BTB (Bovine Tuberculosis). All the time cases of BTB are moving up the country from Hereford, through Shropshire and now into south Cheshire. We, in Cheshire and Lancashire are in what Defra call 'the edge zone'. This means, we are between the infected area and the clean areas to the North, so they are being extra vigilant.

The Environment Secretary Owen Patterson has called on consumers to buy more home grown food. This is a great idea, because we in Britain buy several millions of pounds worth of imported produce that we can grow ourselves. Supermarkets and food manufacturers will buy their food products from wherever in the world it is cheapest, regardless of food miles etc. The biggest irony of this Government announcement is that, farmers and growers and their representatives have for years and years tried to persuade the Government to procure British Food for the NHS, Prisons, Schools and Colleges, Civil Service, The police and Fire

service, local authorities and a host of other Government Quango's. All these departments spend millions a year on food, but the government always say they must get the best deal for the tax payer: that means they get the cheapest from wherever. But we will keep on trying.

We have bought a new hedge-cutter this year, and I have been practising down Depmore Lane. Anyone who thinks I have been following the tops of the Welsh Hills, is not far wrong. It is not as easy as it looks!!! Believe me.

Kind Regards

## New book club at Fullstop Bookstore & Coffeehouse, Oakmere.

Have you ever loved a book so much you wanted to tell everyone about it? Well, now you can! Come and join us at the Fullstop Bookstore at Oakmere where we can chat books, socialise and eat cake!

This book club has been set up not only because of my love of books but also to get to know like-minded people within the community. I'm hoping that with your help we can make this a success, I'm hoping it will really take off and eventually invite local authors to join us and you never know, we could even start our own literary festival!

Stuart Rees, the owner of the Fullstop Bookstore has kindly provided us with the environment to hold the book club. Refreshments and cake (of course!) will be available. I can't thank him enough for giving up his store and time for this venture.

The book club will be held on the last Thursday of every month, and if there's enough interest I'm hoping the first meeting will be on the 27<sup>th</sup> February 2014 at 6.30pm until 8pm. At the first meeting we will set the agenda of the group meetings. I'm hoping it will shape into a book club everyone will be happy with.

If you're interested please register by emailing me on [lornawarriner@yahoo.co.uk](mailto:lornawarriner@yahoo.co.uk). You can also sign up to the newsletter via the email address and enter our first competition by suggesting a name for our group!

Look forward to seeing you soon, Lorna (Delamere).

## 2014 – Why No Garden Trail?

Recently it has become almost expected that Kingsley Village will hold a Garden Trail every three years. This event is very popular, bringing many visitors into the village as well as raising significant funds for charity. It is organised and run by the Kingsley Garden Club.

The Garden Club Committee has recently met and considered the options for a Garden Trail in 2014. The last one was in 2011.

Whilst there was some enthusiasm for a Trail this year we simply did not have enough volunteers to open their gardens. To make the trail viable we need a minimum of 10 good gardens within the village itself.

We appreciate that this decision will be disappointing to a large number of people.

If you want a full Garden Trail in 2015, start thinking about it now. We need more gardens!

If you would like your garden to be included, or you know someone whose garden deserves to be seen, please let us know. You can email me at [ruthwooles@hotmail.com](mailto:ruthwooles@hotmail.com) with details. We will be making a decision regarding a possible trail for 2015 in September 2014.

It would be a pity if this event were to be lost to the village.

However, there will be a **Garden Event and Plant Sale** on **Saturday 8<sup>th</sup> June 2014** when two gardens will be open and there will be an opportunity to buy local plants.

### **Tony Evans Sculptures at Chester Cathedral**

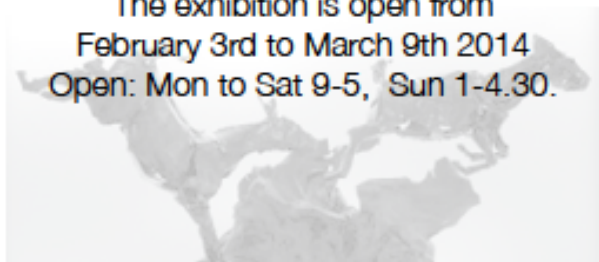

*"To exhibit in a cathedral is a new experience for me as well as a new venture for Chester. The cathedral is an artwork in itself and well worth the visit. There will be new work on display and some pieces to commemorate the centenary of the great war."*

You are invited to a  
Private Viewing on:

Thursday 6th February  
7.00pm to 9.00pm  
at

**Chester Cathedral**

The exhibition is open from

Open: Mon to Sat 9-5, Sun 1-4.30.

## Kingsley, Norley & Crowton Mothers' Union

We held our Annual General Meeting on Tuesday 7<sup>th</sup> January 2014. We were pleased to welcome the vicar Pete Rugen who chaired the meeting. 2013 had been a very busy year for us as we celebrated our 70<sup>th</sup> Anniversary and we reflected on the success of the Marriage and Baptism flower festival in June and the 1940s evening in November. These events could not have taken place without the help and support of the committee, MU members, and their families and friends, a big thank you was extended to all.

The business part of the meeting took quite a long time as there was much to discuss from the Diocese and the Deanery. The Mothers' Union is a Christian mission organisation working through grassroots membership to support families and communities in the UK and Ireland and around the world: four million members in eighty different countries. Whilst the membership overseas is increasing steadily, the membership in the UK is declining and this year our aim is to try and raise the profile of the MU and increase our membership in the Benefice and local area. The only criterion to be a member is that you are baptised in the Holy Trinity. There is an excellent website: [www.mothersunion.org](http://www.mothersunion.org) which gives out information about work being done at home and abroad – worth a browse.

The committee was reformed and members are as follows: Branch Leader Pam Lee, Treasurer Hilary Merrington, Secretary Pam Owens and Miss Jean Starkey jointly, Audrey Griffiths and Rita Boon. Many thanks to members who retired from the committee for their hard work.

It was decided to change the day of our meetings as the first Tuesday of the month coincided with other meetings, the meetings will now be held on the **fourth Thursday** of the month, so our next meeting is 27<sup>th</sup> February at **1.30pm** in the Church Room. Joe Smith will be talking to us about his role as a Youth and Young Family Worker and everyone is invited. We have a very interesting programme planned and we hope that people will come and join us – refreshments served.

Pete closed the meeting with an interesting resume of the Three Kings who visited the Holy Family after Jesus' birth. Very little is known about them or where they went afterwards, but they are still remembered over two thousand years later! It was an enjoyable meeting and many thanks to committee members for their end of year reports, 2013 was certainly memorable.

If you would like further information about the MU please contact Pam Lee on 787343, Pam Owens on 732508 or Jean Starkey on 788350

## KINGSLEY WALKING GROUP

Our first walk of the year was a seven miler, starting from Norley Parish Church. In view of the recent wet conditions, our leaders sensibly made use largely of minor lanes and good tracks. We set off through Norley village, then skirted Delamere Park to head to Cuddington and Ravensclough before circling back to Delamere Park. After taking lunch we headed back to Norley via Bratt's Bank and Moss Farm, after which a further loop via Gallowsclough Lane and the Delamere way brought us back to our starting point. Twelve walkers participated and were favoured by bright and still weather.

Kingsley Walking Group have two walks each month: on the second Tuesday there is a long walk of 7 - 8.5 miles (bring a packed lunch); on the last Wednesday a short walk of approx. 5 miles with a coffee break and pub lunch. We meet at the Community Centre at 9.30am (Note however an earlier start of 9.00am for the long walks from May to September). Information on the walks programme may be found on the Walking Club page of the Kingsley Village website. For more information tel. 788132 (short walks), 788068 (long walks).
