# *EDITORIAL NEWS AND VIEWS*

Dear Readers

This month we welcome Helen Philpot to the Kingsley News team. Helen has taken over from Maureen Chesmore in organising the collating of the magazine.

I can't resist a good dessert and I'm certainly going to try the peach recipe provided by James Trotter. He tells me there are more to come in the next few months. Can't wait.

If you do your shopping at Tesco remember that during February you can vote for Kingsley Community Centre to help them refurbish the kitchen. Don't forget to ask for a token at the checkout, as they sometimes forget to hand them out.

Kingsley St Johns School are looking at ways to boost health and get lean in 2019 and are looking for funding from the National Lottery Awards for some new playground equipment that could be accessed by the community. See their letter to the community in which they ask for suggestions.

*Elizabeth*

## **Kingsley Garden Club**

The committee of Kingsley Garden Club wish all our members and regular visitors a very Happy New Year, and we look forward to welcoming everyone back in February, we would also like to welcome any new members, visitors or anyone wanting to see what we get up to.

Whilst there was no meeting in January 2019, the Committee have been busy preparing the programme of talks for 2019 / 2020, taking us up to the AGM in May 2020, frightening isn't it, but if we want speakers we have to be booking them a good twelve months in advance. We are looking at talks about The Eden Project, the Gardens of Yunnan and even handy tips on Propagation. There will also be a plant sale run by the Garden Club at the community centre as part of a KCA event in April 2019.

Our next speaker on the 11th February 2019, is George Pilkington. George is a well known naturalist and advises many NGO's and government on environmental issues. George's talk is Wildlife Gardening (having listened to his talk on Bird Feeding, I can say you will go away well informed). So see you all 8.00pm on February 11th at the Kingsley Community Centre.

### **Gardening Tips and Jobs to be done....**

- Prune your Wisteria back to two or three buds
- Prune summer flowering Clematis
- Cut back shrubs such as Cornus and Salix to the base to promote new growth
- Cut back old foliage from ornamental grasses
- Prune winter flowering shrubs such as Viburnum, Mahonia and even winter flowering heathers
- Lift and divide Snowdrops still in the "green" (not flowering)
- Plant Lily and Allium bulbs, but not in frozen or waterlogged ground (they can be planted in pots and containers).
- Buy your "Early" potatoes and chit them in egg boxes in a cool but well lit room
- Force some Rhubarb by placing a large pot or bucket over the plant and exclude all light
- Prune apple and pear trees
- REMEMBER - this is the main planting season (up to Easter) for trees and shrubs.

If you want to know more, come along and see us and do not be afraid to ask, we are all amateurs, we have all made mistakes and continue to do so, and we all ask each other for help or advice. There is no single correct answer!

## **Dear Community,**

We are looking at ways to boost our health and get lean this 2019. We want to build our stamina, improve our sporting chances and build resilience by getting lean, fit and healthy.

In order to help us with this, we are looking to the National Lottery Awards to support us with some new playground equipment, which can be accessed by the community.

We want to know your suggestions. What could we have that would build our core strength, develop stamina and coordination and get us all lean in the Kingsley Community?

Please send your ideas to the following e-mail address:-  
[head@kingsley-st-johns.cheshire.sch.uk](mailto:head@kingsley-st-johns.cheshire.sch.uk)

Many thanks,  
Rachel Jones (Headteacher)  
Kingsley St Johns School

## **COME AND SEE**

Do you know enough about Christianity to judge it? Do you know how important it is to you personally? If its message is not the best news you have ever heard, you haven't understood it !

So come - and see. 'Christianity Explored'.is at The Hurst Methodist Church, starting on Wednesday 20th February, from 7.45 to 9.15 pm, continuing weekly through the time of Lent. It's a video course based on the Gospel of St Mark - and relevant to today.

The evening sessions will be relaxed and informal and open to all - so you will be most welcome. You can ask any questions you like – or just sit and listen. Why not invite a friend too? Refreshments will be provided.

Please note the date in your new 2019 diary. More information is available from Kay or John Leach on 787475

## **The Jan Modelski Community Orchestra**

The Jan Modelski Community Orchestra is an amateur orchestra based near Chester, it was founded in 2001 to enable musicians of all ages and abilities to participate in a performing amateur orchestra.

The atmosphere is friendly, informal and geared towards encouraging the best performances from its members and aiding their musical development. The orchestra has an "open admission" ethos - which means that there is no audition and no one is ever turned away, the only requirements are a basic ability to read music, a desire to play with other performers and a sense of humour.

There are 3 separate orchestras; Introductory, Intermediate and the "Main" Orchestra, so there is sure to be an orchestra suitable to most playing abilities. The average attendance is between 60 and 70 players and a number of players participate in more than one orchestra. All three orchestras share the common goals of enjoyment, encouragement and development.

The orchestra is led and conducted by our Musical Director, Jan Modelski. Jan is an established music teacher and he has an enviable record in taking his students to a high level of success. He is passionate and vibrant about making music and encouraging others to do so. All three orchestras perform two concerts each year.

The orchestras rehearse on Saturday mornings in term time at Barrow Village Hall (CH3 7LH), the Introductory and Intermediate Orchestras start at 09.15 am and the Main Orchestra at 11.10 am.

## **TESCO BAGS OF HELP**

### **Kingsley Community Association needs your vote!**

Kingsley Community Association (KCA) has been successful in winning a grant from Tesco's Bags of Help. The size of the grant could be £1000, £2000 or £4000, depending on your vote.

The grant will enable KCA to refurbish the kitchen at the Community Centre, which is used in support of events held at the Centre.

Only votes cast at Tesco's Helsby store will count, and only in January and February 2019. Ask for your token at the checkout.

**Please support KCA, and support your community!**

### **Kingsley Bookworms**

**Next meeting 14th February 2019 at the Hurst Chapel at 7.30pm**

At our January meeting we talked about "The Lido" by Libby Page. We'd seen great reviews comparing it A Man Called Ove (which we loved) and Eleanor Oliphant is Completely Fine" (our all time favourite). We found it easy to read, but rather "lightweight" in comparison with the others. Evidently there is now a new genre in literature called "up lit" or uplifting literature. We scored the book 3 out of 5.

During February we are reading "The Diary of a Provincial Lady" by E M Delafield. Jilly Cooper described it as " Storms in teacups, impossible neighbours and chauvinistic husbands". What more could you want from a book?

While looking for events of interest to Bookworms, we found "Time to Read" which is a partnership of libraries in our area that has events all over the region. They have book readings and discussion groups every month. In February we are going to a CSI Evening with Ashley Dyer (writes crime books as Margaret Murphy) to hear about how forensic experts work and how authors make sure that they are accurate. It's well worth checking out the Time to Read website for information about that, and other events.

Kingsley Bookworms meet on the second Thursday of each month and everyone is welcome to join us at any of our meetings or events. Meetings start at 7.30pm and are held at the Hurst Chapel. If you want more information, please contact me on [vgwillim@coach-work.co.uk](mailto:vgwillim@coach-work.co.uk) or call me on 07799 067 457. We have also got our own Facebook page called Kingsley Bookworms.

## ***On Stage Near You***

***Not already enjoying local shows? You really ought to get out more.***

We are writing this shortly before the start of Kingsley Players' ***Dr Doolittle'*** and we are looking forward to seeing it when it opens. We hope those of you who attend will email us with your feedback.

**Matt Jones** who plays a Matthew Mugg, Dr Doolittle's helper, moves straight to The Harlequin Theatre at Northwich immediately afterwards to play a ne'er do well playboy in Georges Feydeau's farce, ***Cat Among the Pigeons***, which runs from **Tuesday 26<sup>th</sup> February to Saturday 2<sup>nd</sup> March**. This hilarious story by the acclaimed *father of farce* is billed as a *triumph of ingenuity, gaiety, absurdity and laughter* and is being directed by Kingsley Players' **Malcolm Barker**, well known for bringing laughter to the stage and who directed *A Bunch of Amateurs* seen in Kingsley last May. The KP cast seen in that latter play included **Tina Wyatt, Caroline Guard, and Stephen Hoskins** turn up again in this French period comedy. <http://www.harlequinplayers.com/cat-among-the-pigeons-info>

Also in February KP's **Francis Hamer** is appearing in Ashton Hays Theatre Club's touring show *The Laramie Project*, a huge undertaking with over 60 characters and billed as an engrossing docu-drama that testifies to the seismic impact of a hate crime in a small time to the whole of America. Various dates and locations with details at <http://www.ashtonhayestheatreclub.co.uk/> Otherwise a quiet month with our only contact being.

18<sup>th</sup> to 23<sup>rd</sup> Altrincham Garrick – **People** by Alan Bennett, billed as Bennett at his best, provocative and entertaining – a must for Bennett fans, <http://www.altrinchamgarrick.co.uk/shows/people/>

No reviews from January as most of the plays featured last month were for late January and nothing heard about the pantomimes.

**If your production or a play you have seen did not appear here then please email us and do tell us about plays you have seen by emailing [cheshireonstage@btinternet.com](mailto:cheshireonstage@btinternet.com). John Doe**

If you'd like to try it, just come along to a youth club session, complete a form and join in the fun! Only £2 per session.

## **Kingsley Walking Group**

The first long walk of 2019 was to the Clwyds. A group of 10 hopeful walkers parked in Cilcain and walked to the Jubilee Tower on Moel Famau where we had lunch. We had hoped for great views but luck was against us – it was dry but misty. We had a good walk along the ridge and returned to the car park without encountering too much mud.

The short walk on January 30th started at the Leigh Arms and followed the canal to Barnton. The return trip was along the river Weaver. We had lunch at the newly refurbished pub.

The February long walk will be on February 12th. We will leave the Community Centre at 9.30.

Kingsley Walking Group has two walks each month: on the second Tuesday there is a long walk of 7 - 8.5 miles (bring a packed lunch); on the last Wednesday a short walk of approximately 5 miles with a coffee break and pub lunch. We meet at the Community Centre at 9.30am in January and February.

We are a friendly group and everyone is welcome. Information on the walks is available on 788132 (short walks), 789098 (long walks).
