EDITORIAL NEWS AND VIEWS

Dear Readers

A couple of weeks ago someone rang me to say that they thought Kingsley News was “boring and full of ads.” As I am sure everyone is aware the revenue from the advertisements goes towards the cost of printing the magazine and, of course, they are useful if you are looking for a trades person.

It is always difficult to find new items of interest to include in the magazine and I do rely on people sending me things. The person concerned was not prepared to contribute anything! If no-one sends me anything then how can I improve your magazine. If there is something you would like to share with others, such as a special event, a celebration of achievement, or you are organising a charity event, then let me know. Articles of local interest, a poem you have written, gardening tips or maybe a plant swap section. There is no charge for items of this nature. We only charge for commercial advertising.

There are plenty of events going on in and around the village during May. Read on and found out more.

Elizabeth

On Stage Near You

Not already enjoying local shows? You really ought to get out more.

We hope you are enjoying local theatre and we see that KP (Kingsley Players) members have been busy yet again, both in Kingsley and with other groups. It has been suggested to us that we reverse the way we present this column so let's give it a try.

WHAT TO SEE IN MAY

Unfortunately we did not receive details of Davenham Players' **Dark Moments** by K C Finn until too late for our April entry. The cast included KP's **Sue Elliott** (**The Mouse's Tale**) on 27th – 30th April

KP are welcoming back guest director **Ed Green** (**Bite Sized Shakespeare**) presenting **The Grand Gesture** by Deborah McAndrew. The play is described as a riotous evening of comic mayhem and exquisite farce, complete with ethereal gypsies and heavenly choir. The cast includes KP regulars with some new faces. This is one not to miss, the Community Centre from May 17th to 20th. <http://www.kingsleyplayers.co.uk/productions/the-grand-gesture/>

Of the rest to be seen in May:

9th to 13th KP's **Malcolm Barker** (**Time of My Life**) is guest director with **Ashton Hayes Theatre Club**. He is directing the hilarious pair of farces, **Last Tango and Last Panto in Tarvin** by David Tristram (part of the Little Grimley series) to be performed at Tarvin Community Centre. Billed as the story of a struggling drama group whose Chairman has written a play to bring in absent audiences the only way he knows how, about sex in the village. It is so successful that he writes a Pantomime in similar style. An imposing cast of experienced actors includes KP's **Kelly White** (**Some of My Best Friends are Women**) and two actors following from **A Flea in her Ear** performed in March at Harlequins. <http://www.ashtonhayestheatreclub.co.uk/>

5TH – 13th Nantwich Players at Nantwich Little Theatre – **Bold Girls** by Rona Munro – billed as "Written in 1991, this play reflects the dramas of everyday life in Belfast – burning buses, road blocks, gunfire. But these are off-stage events in this stirring play about the lives of three women whose men have been killed or imprisoned for their political activism but where bread must still be bought between explosions" <http://www.nantwichplayers.com/plays/>

6th – 13th Chester Theatre Club at Chester Little Theatre – **Butley** by Simon Gray – billed as "Lecturer, Ben Butley, shares his office with colleague and former star pupil, Joey. Ben's day starts badly and goes downhill from there. Like Jimmy Porter before him, Butley is by turns sardonic, sarcastic and cynical. That the play manages to be very funny also explains why it won the Evening Standard Best Play award when it was first staged. It's going to be a bumpy ride!" <http://www.chestertheatreclub.co.uk/>

14th – 20th Altrincham Little Theatre – **Summer End** by Eric Chappell – describes as a dramatic comedy <http://www.clubtheatre.org.uk/posters.html>

18th to 20th Guilden Sutton Players – **One man, Two Guv'nors** by Richard Bean – another presentation of this great comedy, the modern update of a Servant for Two Masters. <http://www.guildensuttonplayers.org/>

REVIEWS

I hope you got to see Kingsley Juniors '**Fantastic Mr Fox**' which was fantastic, particularly as it was their first public production since their formation only last year. The young actors were a treat to watch and not only are congratulations due to director **Jake Powell** but also to his team of helpers.

We also got great review for Zodiacs presentation of **9 to 5** at The Brindley. A super musical professionally done in the manner expected now of this high quality group. Singing and dancing was in great style and KP regulars may have spotted KP favourites **Valarie Ball, Phil Murray** and **Neil Silcock** (all three in **Some of My Best Friends are Women**). Sadly those of you wishing to see **Some of My Best Friends Are Women** were disappointed as Moulton Drama Group had to cancel their proposed production.

If your production or a play you have seen did not appear here then please email us and tell us about it by emailing cheshireonstage@btinternet.com. John Doe

1st Newton and Kingsley Scout Group

The 1st Newton and Kingsley Scout group exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society. Scouting provides them with the opportunity to learn by doing, to take responsibility and to make choices, as well as enabling them to undertake new and challenging activities.

We work directly with five groups of young people between the ages of 5 and 14 consisting of 16 Brownies, 16 Guides, 24 Beavers, 24 Cubs and 20 Scouts who meet on a weekly basis at the HQ.

Kingsley Co-op – the Co-op Local Community Fund

The Co-op blue membership card allows Co-op members to get back 5% of what they spend on Co-op products and services (into a personal Co-op membership account). In addition to this, the Co-op member **also** earns 1% for a local community cause (**Co-op Local Community Fund**). In the UK, this scheme has already earned over £9 million for over 4,000 local causes.

The **1st Newton & Kingsley Scout Group** are one of the lucky recipients (for a six-month period) in the current round of funding for community causes. So, when you buy Co-op own brand products from the Kingsley store, **you** get 5% of what you've spent back to spend with them (into you Co-op membership account), **plus**, the Co-op will give 1% to a local community cause of your choice. So, to benefit our local Scout Group, if you are already a Co-op member (and have a blue membership card), please go online: www.coop.co.uk/membership and select the **1st Newton & Kingsley Scout Group** as your cause. If you are not currently a Co-op member, then please consider becoming one by either registering at the web address above, or popping into the shop, where the staff will be happy to provide you with further information and a Co-op membership card (at a cost of £1 – but remember you can earn this back very easily after purchasing just a few Co-op branded items!).

Thank you for considering helping your local Scout Group and a big thank you to the Kingsley Co-op for their continued support of local community causes

Kingsley Bookworms

Next meeting 11th May 2017 at the Red Bull at 8.00

At our April meeting we talked about "Birds without Wings" by Louis de Bernieres, an author that we have read before. There were two distinct camps – one group loved the book and felt that it had a lasting impact, while the other group didn't like it and didn't get much further than page 50. Louis de Bernieres also wrote Captain Corelli's Mandolin which had a similar response. The book is long, has a lot of characters and goes into quite a bit of historical detail. Even the enthusiasts felt it was "quite wordy". We noted an interesting pattern which is that books that have mixed reactions result in good discussions. The average score was 3.2.

In May we will be talking about The Vance Legacy by R Haywood Glen. The book is set in the southern United States, against a backdrop of slavery and life on a tobacco plantation. We accidentally chose a book only available on Kindle. We have managed to make sure that everyone that wants to has access to Kindle. Is this a sign of things to come?

Our June book is "Experience" by Martin Amis. It's a prize winning memoir about his father Kingsley Amis which was published in 2000. A full list of our books for 2017 is on our Facebook page.

*From our next meeting on May 11th we will be meeting on the **SECOND Thursday** of every month starting at 8pm. This is because of a clash with the Open Mic night and the increased level of activity at the Red Bull. We're delighted with their success and happy to move in an effort to find a quieter time for our meetings.*

Everyone is welcome to join us at any of our meetings or events. If you want more information, or to join in any of our events please contact me on vgwillim@coach-work.co.uk or call me on 07799 067 457. We have also got our own Facebook page called Kingsley Bookworms.

Last Tango and Last Panto in Tarvin
by David Tristram

**Tuesday 9th, Thursday 11th, Friday 12th and Saturday 13th May
7.45pm nightly at Tarvin Community Centre**

Directed by Malcolm Barker

AHTC is pleased to welcome award winning director Malcolm Barker to direct this hilarious romp involving a struggling drama group, the fictitious Tarvin Thespians. The Chairman has written a play to bring in audiences but the only way he knows will succeed, and that is about sex in the village. It's all innocent fun but because of the success it is followed by a pantomime billed as a sex Panto, just as hilarious and twice as ridiculous. A night of hilarity is guaranteed from the Little Grimley series of plays and an experienced cast comprising Stuart Mac McNeill from Great Expectations with Kelly White from Some of My Best Friends are Women and both Tina Wyatt and Dave Rogerson from A Flea in Her Ear

Tickets: Adults £9 Children £7

Kingsley Walking Group

There was a short walk on 29 March starting from the old Whitegate station, along Whitegate Way and surrounding country and followed by lunch at The Plough.

Nine of us enjoyed a splendid 8.5 mile walk in picture-perfect Derbyshire countryside on 11 April, in sunny but cool conditions. Starting from Hulme End car park, we headed south along the Manifold Valley, the river eventually disappearing underground. We climbed steeply to Thor's Cave, for a picnic lunch on the cliff top. We returned via higher fields full of new-born lambs, stopping to explore a disused copper mine head. Back at Hulme End we enjoyed tea and cakes, before setting off for home.

Kingsley Walking Group have two walks each month: on the second Tuesday there is a long walk of 7 - 8.5 miles (bring a packed lunch); on the last Wednesday a short walk of approximately 5 miles with a coffee break and pub lunch. We meet at the Community Centre at 9.30am for the short walks and for the long walks in January and February. Note however an earlier start time of 9.00am for the long walks from March to November.

. Information on the walks programme may be found on the Walking Club page of the Kingsley Village website. For more information tel. 788132 (short walks), 788068 (long walks).

Kingsley Parish Council Meeting 18 April 2017

Members of the Public

One member of the public attended the meeting.

Planning applications.

One planning applications was received. 17/000829/S73 & 000575/S73
Variations Town Farm Quarry

Playing Field.

The Council has received a number of complaints over the last few months regarding dogs approaching children on the playing field and this has prompted us to investigate a number of potential solutions. During our research, it has come to our attention that a number of byelaws are already in place on the playing field in relation to dog control. Dogs are banned from the enclosed children's play area and we will shortly be erecting signs in this respect. We have also learnt that Vale Royal Borough Council created a byelaw in relation to dogs being kept on leads on the rest of the field. Cheshire West and Chester Borough Council took on these orders from the old Vale Royal Borough Council and in the next 12 months, they may decide to introduce Public Space Protection Orders (PSPO's) on the field which would enable them to legally enforce these byelaws. Before this takes place, the Parish Council intends to carry out a consultation in relation to dog control on the playing field so we can fully represent the views of the community in any PSPO consultation carried out by CW&C. In the meantime, we would politely ask all dog owners to please make sure their dogs are under control and not liable to run up to other members of the public, which can be scary, especially for children.'

Cemetery.

The Boardroom (the building inside the entrance to the cemetery) is to have a new floor during the first week of May 2017 and will be painted both inside and outside with heating installed. Two plans for creating a new cremation area for plots in the Extension of the Cemetery and also improving the area around the War Memorial were discussed at the meeting and prices will now be sought for the work regarding the cremation plots and funding will be investigated regarding improvements to the War Memorial area.

Community Fund Applications

At the April council meeting, Kingsley Parish Council were pleased to present cheques to four groups from the village who had been successful in being awarded funding in Kingsley's first ever Community Fund. Those who were successful were; 1st Kingsley & Newton Scout Group, Kingsley Players Youth Theatre, Kingsley Youth Group and Kingsley Garden & Produce Club. The Chairman of the Council stated ' We look forward to working with and supporting the work of other local groups in future years'. Councillor Danny Moores presented the cheques to Andy McGovern, Max Topping and Daniel McGovern of the Scouts, Colin Smith of the Youth Theatre Group, Anne Kavanagh of the Youth Group and Ruth Wooles and Chris Woulds of the Gardening Club.

PLEASE NOTE that the Minutes of the Parish Council's meetings are placed on the village website each month.

**Britain's Award-Winning
Acoustic Music Stars To Play Concert at
Kingsley Community Centre**

**“The next best thing to a reunion of Kate Bush and Peter Gabriel,
but neither has made an album as perfect as this”
Pete Bradley of music site Fatea reviewing The Blackheart
Orchestra's new album ‘Diving For Roses’**

Enjoy an intimate evening with The Blackheart Orchestra, UK Exposure Music Awards 'Best British Duo' winners performing at Kingsley Community Centre on Friday June 23rd as part of their nationwide tour of concerts. Advance tickets are £10 (under 12's Free) available now from 01928 788788. Doors open at 7.30 and the concert runs from 8.00 to 10.15pm. Limited tickets may also be available on the door.

The Blackheart Orchestra are multi-instrumentalists Chrissy Mostyn and Rick Pilkington. Their unique music has been described as “Utterly magical” by the BBC's John Gilmore and “One of the best things to come out of England in recent years.” by Fatea Music Magazine.

**“A heavenly fusion of acoustic folk, intelligent pop
and classical composition...Enchanting”
ABC Radio Australia**

After three successful albums and over a thousand concerts from Amsterdam, Berlin and Sydney to London, Belfast and Glastonbury their music is still impossible to categorise. They combine acoustic instruments and the voice of Chrissy Mostyn with piano, omnichord, electric percussion, electric mandola, bowed guitar and vintage synthesisers to create a new and very unique vision of progressive, contemporary British music. Their show features multi-instrumental playing and continuous changing of moods and combinations of instruments.

At a BBC Live In Concert show, BBC presenter Sally Naden said on air "They sound like half a dozen musicians when it's just two people making all that amazing sound. They are a really unusual, truly unique duo that sound like a huge band."

Their highly personal, haunting music led Australia's Western Star to say "The Blackheart Orchestra take their audiences from heartbreaking to uplifting in a single song" and Radio 2's Aled Jones to simply say "A great band" and choose them as his song of the day twice.

Table tennis, wii, X-box, table football, games, tuck and hotdogs for sale. And now.....pool & badminton!

We've been having a great time playing with new and refurbished kit made possible by a generous grant from our CWAC councillor, Ralph Oultram. The pool table has been repaired, recovered and is good as new, and we have lots of new kit including a badminton set and computer games. Many thanks Ralph!

We'd also like to say a big thankyou to the Parish Council for their grant of £750, which is helping to fund the earlier session for school years 4 to 7.

We'd love to see some new faces: we're a friendly bunch and if badminton and the other sports aren't your cup of tea, we have plenty of quieter activities including arts and crafts and board games.

Any queries? We can be contacted at kingsleyku17s@gmail.com, find us on facebook, or pop in to one of our sessions.
