FROM THE EDITOR

Welcome to the September 24 edition of Kingsley News,

A warm welcome again from the team at Kingsley News.

We have a bumper edition full of events on in Kingsley and the surrounding area. Even our front cover is paying homage to two events being hosted at Kingsley Community Centre this September; the Loose Connections live music night on Saturday 7th September and the Macmillan Coffee Morning on Friday 27th September. Events also on this month include harvest celebrations and a boules tournament.

A couple of Kingsley News editions ago in my editorial I talked about the state of our roads, verges and pathways and maybe how we should take more pride in our village. Well we now all have an opportunity to improve our village by participating in the 'Village Community Work Day' on Saturday 21st September. More details can be found in the Kingsley Parish Council news article towards the back of this edition. I hope to see many of you on the day!

As always we are looking for articles and news to include in each edition. If you have something to share please do get in touch. In this edition you can find out about John Thomas, a nineteenth century mystic and occultist. Maybe you are related? If so I know the author, Dr David Harrison, would be very pleased if you were to get in contact.

Best Wishes
Steve

I hope you continue to enjoy reading this edition and please do give feedback too. Please, don't forget that Kingsley News is also available in digital format on the Kingsley village website, www.kingsleyvillage.co.uk.

JOHN THOMAS; A VICTORIAN MYSTIC AND OCCULTIST IN KINGSLEY

By Dr David Harrison

John Thomas was a nineteenth century mystic, herbalist, healer, clairvoyant and Occultist. He was born in Castle Caereinion, Wales, in 1826, but subsequently moved to Kingsley where, according to the 1861 Census, he lived on a farm with his wife and children.

By 1884, Thomas had launched his periodical 'The Seer and Celestial Reformer', which he used to launch his Order 'The Celestial Brotherhood', which included amongst its members Victorian Occultists and Freemasons such as John Yarker. Thomas appears to have plied his trade of healing and spiritualism while working on his farm at Kingsley, and as his fame grew, his marriage appears to have fallen apart, and by 1890, he had moved to Manchester, living with a younger woman. He continued to write esoteric books and to publish a new journal called 'The Psychic Mirror', though Thomas died penniless in 1908.

The story of John Thomas is told in the new book 'The Life and Death of John Yarker' by Dr David Harrison and published by Lewis Masonic.

The author is also looking for any descendents of John Thomas that may still reside in Kingsley for a future project. Please contact the editor or Dr David Harrison direct via his email: dharrison1968@yahoo.co.uk

ASPIRE

All staff work tirelessly to share care beyond the classroom for every child.

Excellent relationships exist with our pupils, parents, governors, the church and our community. Together, we accentuate the positives and support each of God's children to believe in their light and thus become children of light.

Our highly effective early years team ensure your three-year-old (nursery) and reception child has the very best start to their education with a fun, caring and nurturing curriculum.

Our Buddies club provides wrap around care from 7:30am to 6:00pm through term-time and is led by our highly qualified and experienced staff..

KINGSLEY WALKERS

The Kingsley Walkers Group is continuing with its programme of friendly long and short walks in our beautiful region. In late June a group climbed Conwy Mountain (or Mynydd y Dref for those with a shortage of vowels in their Scrabble set) hoping for spectacular views over the town, the castle and the sea shore. Unfortunately, the only views to materialise were of waterproofed figures emerging and disappearing into the mist. An enjoyable walk nevertheless and no losses, either to the fog or the complicated parking directions.

In early July we stayed local with a fascinating walk around Runcorn. Not obvious walking territory but we covered 5 miles of overwhelmingly green space in the new and old towns. We passed through Haddocks Wood, near to Norton Priory, Windmill Hill, the water tower (a tromboned pressure relief device apparently, completed in 1892) and back to Castle Hill, before enjoying a pub lunch.

The weather was much improved from June for our late July outing to North Wales. We climbed Moel Famau in glorious sunshine, though it was a bit unfortunate when one walker on the trip decided to kiss the mountain in gratitude. A first aid kit was quickly produced and I understand no long term damage was done. We arrived at the summit where we enjoyed the views and our pack lunches whilst watching some volunteers painting the trig point. For those seeking a recommendation for use in exposed locations Dulux Weathershield was their clear preference.

The Clwydian Hills are favourites but there are so many routes that variation is always possible, whilst the Loggerheads Visitor Centre is always a delightful place to return to for a cup of tea and the continuation of conversation.

More walks are planned in September and new members are very welcome, please email on kingsleywalkerswa6@gmail.com.

KINGSLEY BOOK CLUB

**During the summer Kingsley book club met to discuss:
'Remarkably Bright Creatures' by Shelby van Pelt and 'Last House on the Street' by Diane Chamberlain.**

The Octopus, Marcellus interested us. He was very intelligent, can manipulate things and can relate to people and read people. Some of us weren't so keen on the anthropomorphisation of the Octopus, to the extent of being able to read the driving licence!

We didn't warm to the character of Cameron. He was too immature and money-grasping. The book was about his maturing, but we did feel he blamed the things that had happened to him in the past rather than make the best of his own future. Even when he was looking for his father it was not to have a relationship with him, it was to obtain money.

He was the exact opposite of Tove, who dealt with her grief by keeping busy, busy. Cameron dealt with his grief by being lazy. Ethan was the gossip and sole of the town. Cameron needed to arrive in a small community, from his large city, for all the coincidences to happen, which lead to him finding his family. The book bounced along. There was no description in it, which made it a quick read. A good holiday read giving it an average of 3.4

Although the Last House on the Street was set in the USA and dealt with the violence of the KKK discussing it in the midst of the recent riots we could identify with 'mob rule'. The small community in which the book is set was swayed into violence for the cause. The main theme of the book was the work carried out by Martin Luther King which opened a good discussion on his work, the struggle for equality and how this battle is still running. The book put across the very heavy subject in a readable manner although some of the characters and their relationship to other could have been explored more. Although this got an average score of 3.4 we had a split with a couple of low scores & many high scores.

We will be meeting at KNVI on Thursday 5th September to discuss Love is Blind by William Boyd. If you are interested in joining the group please email Janet.Owen10@outlook.com

Vyrnwy Aqueduct Modernisation Programme

We're due to start the next phase of work in your area as part of our Vyrnwy Aqueduct Modernisation Programme.

Thank you for your patience as we carried out the cleaning activity on one of the pipelines in your area earlier this year. We're getting in touch to let you know that our teams are due to begin the next phase of the programme in early autumn and understand you may have some queries about this work as we begin preparation activity.

Pop along to our drop-in session and find out more information

Members of our team will be available at **Kingsley Community Centre**, Smithy Lane, Kingsley, WA6 8ED on **Thursday 12 September between 3pm and 6pm** to share information and answer your queries.

Although the main construction activity is not due to start until the autumn, from late August you may notice our teams preparing the working areas. This will involve installing fencing, laying access matting or the removal of vegetation. The map on the back of this letter indicates our work and access point locations.

Keeping in touch with us

If you have any questions, you can call us on 0345 672 3723 quoting project number 80063071.02, contact us via our social media channels or complete the feedback form on our virtual exhibition site which can be found at uuhub.co.uk/vyrnwy or simply scan the QR code to head straight there.

DID YOU
KNOW ?

..... that on Saturday,
July 13th at the
Hurst, the 3 chapel
organists played 1 or
2 verses of 408
hymns in nearly 7hrs
of continual playing,

interrupted by just over an hour of 21
requested hymns (all verses) sung by 30 or
so assembled people who had come to
sing them. With donations for this playing
and for tea/coffee and homemade cakes
consumed on the day over £3,500 was
raised. This was to help pay for the organ
pedal repair of £5,250. We would like to
thank all those who came to our event and to
those who weren't able to come but who
donated either before or after. We had some
really good feed-back and everyone seemed
to enjoy being there.

The display of photographs and Kingsley
memorabilia was superb, and we thank all
those who lent us items. Unfortunately, it all
had to be taken down on the Saturday, as
the room was being used for a function on
the Sunday.

**“Did You also know.....” that the Hurst
welcomes the Rev. Gordon Gresswell as
its minister from the start of September.**

He is the new Superintendent minister for
the Circuit, based in Frodsham. His first
service with us is the Communion service at
8.30am on September 1st and then again for
Morning Worship on September 8th at
10am. All are welcome.

You don't have to have ever stepped inside a
church before! You will be warmly
welcomed! Come along and meet us all!

KINGSLEY & NEWTON VILLAGE INSTITUTE VACANCY: ROLE OF TREASURER

Elizabeth Batey, Kingsley & Newton Village Institute's Treasurer for the past nine years, has indicated her intention of retiring in October 2024. There is therefore a vacancy to fill. The Treasurer is responsible for handling all receipts and payments, using online banking, reporting on the Institute's financial position to KNVI's Trustees and preparing accounts for independent examination and submission to KNVI's annual general meeting and to the Charity Commission. The Treasurer works with all those who voluntarily run the Institute and the other activities – primarily Bowls, Tennis and Snooker – that take place.

Elizabeth regards the role as being fulfilling but not onerous. It has given her a real sense of contributing to the community and she has been proud to be involved with what she regards to be a wonderful village asset. The current financial position of KNVI is sound and offers the Treasurer a great opportunity to participate within the team of this thriving facility.

Elizabeth is willing to provide guidance and support to her successor, so stepping into the role will not be difficult.

KINGSLEY PARISH COUNCIL

The Parish Council does not meet in August, but that does not mean that the Parish Council goes on holiday! We have all been working as usual for the residents of Kingsley in maintaining services within the village.

New benches have been added to the Cemetery and our contractor has been busy restoring the Garden of Repose in the area of the Cremation plots. Our Contractor continues to maintain the grass cutting within the Cemetery and the banking outside. He has also cleared some of the weeds from the retaining wall area.

The Council has replaced the timber picnic benches in the park which were found, as part of the RoSPA inspection, to have rotted. The new bench is made out of fully recycled plastic and will hopefully last a lot longer.

As mentioned above, we have had our annual RoSPA inspection of the playground and its equipment, and the inspections have highlighted areas of repair and maintenance that the Council will be undertaking in the coming weeks and months. One worrying comment from the inspection, was the damage done to the cableway seat by dogs! The inspector noted that there were dog teeth marks on the seat, and that this is something that he has come across before where some owners are allowing their dogs to chew the seats. It was also noted that the cableway height had dropped since it was refurbished earlier this year. The Council requests that dog owners please keep their dogs under control at all times (this is the law), and that only children use the cableway and not "big children" who weigh considerably more!

Hopefully you will have noted that the three planters at The Cross have been tidied up with new bedding plants by our contractor, it is hoped that this can be maintained seasonally. The contractor also trimmed the edges of the grass cutting back the edges to reveal tarmac that had not seen the light of day for years.

On this theme; as referred to in the July Kingsley News, the Parish Council is proposing a "**Village Community Work Day**" on Saturday 21st September (don't worry if you can't make Saturday because we are also thinking of running Day 2 on Sunday 22nd).

"Village Community Work Day" -Saturday 21st September

It is proposed we meet at the Community Centre at 9.30am and finish around 12.30pm. **This is YOUR workday, this is YOUR chance to make YOUR village sparkle.** It is proposed that we, for example; tidy up the raised garden where the Christmas Tree goes at the school, or, tidy up the planting adjacent to the Co-op car park and the school, clean / clear some road signs, cut back more grass that has encroached onto our footpaths around the village (Brookside, The Brow, etc), indeed anything that will make the appearance of our lovely village look even better. So bring your spade, shears, mops and buckets, but please meet at the Community Centre so we know who is doing what.

The next Parish Council Meeting will be Tuesday 17th September, 7pm at the Community Centre.
