# EDITORIAL NEWS AND VIEWS

Dear Readers

Firstly, on behalf of the village, I would like to thank everyone involved in organising the commemorative events to mark the centenary of the end of the First World War. A lot of thought went into the presentations and it was good to see so many people at the Cenotaph, and afterwards at the exhibition, the delicious soup lunch and the excellent presentations by St Johns Primary School, Kingsley Young Singers and Kingsley Players Youth Theatre. Thank you to everyone involved in making the day a success.

At the end of this month Maureen Chesmore will be retiring from her role of organising the collating team who put your magazine together each month. If you would like to volunteer for this role or require further information then please see the article in the magazine. Thank you Maureen for all your hard work over the years.

I don't seem to have received as many ads for events this month. I believe some of them have been posted on Facebook or the website, however not everyone has access to these facilities and it is important to also publish them in the Kingsley News so that they can reach everyone.

Local events in Kingsley this month include the Ashton Sings concert on Saturday 15<sup>th</sup> December, also the Rotary Club Christmas float will be in Kingsley on the 15<sup>th</sup> collecting for local charities. After Christmas the Institute are holding a New Years Eve celebration. See the ad for details of where to get your tickets.

Best wishes for Christmas

*Elizabeth*

## **Kingsley Bookworms**

**Next meeting 13th December 2018 at the Hurst Chapel at 7.30pm**

This month we talked about “When I Found You” by Catherine Ryan Hyde. We had a lively and interesting discussion. We were delighted to welcome new members who have just moved to the village.

Our final book for 2018 is “Snap” by Belinda Baur (Crime novel, *Sunday Times* bestseller, longlisted for the Man Booker Prize for Fiction 2018). It’s a good read, and will keep you guessing to the end. If, like a number of other people who have been reading along with us, our 2019 list is on our Facebook page or get in touch and I’ll send you a copy.

At our last meeting of 2018 we will also be taking a few minutes to reflect on the books we’ve read over the year. These have ranged from Restoration (period novel, funny) to *The Anatomy of a Soldier* (a story told from a very different perspective), *The Heart Goes Last* (quite a different novel by Margaret Atwood) and *Eleanor Oliphant is Completely Fine* (our favorite). We’ve also attended Weaver Words, *The Tempest* at Grosvenor Park, Gladfest to hear Sarah Perry (author of the Essex serpent, a favorite novel last year) and the Poetry Pub Crawl as part of the Storyhouse literary festival.

Kingsley Bookworms meet on the second Thursday of each month and everyone is welcome to join us at any of our meetings or events. Meetings start at 7.30pm and are held at the Hurst Chapel followed by a few drinks at the Red Bull. If you want more information, please contact me on [vgwillim@coach-work.co.uk](mailto:vgwillim@coach-work.co.uk) or call me on 07799 067 457. We have also got our own Facebook page called Kingsley Bookworms.

## **Kingsley & Norley Guides have vacancies!**

Guides have an exciting and varied programme designed to inspire and challenge girls from 10-14

**Guides is for all girls aged 10 to 14.** Guides get out there and do something really different. They learn and share new skills and maybe even fly down the occasional zip wire! They explore new places too!

**Guides build brilliant friendships.** Girls at Guides aren't your average friends. They're the girls who want to go on adventures, who encourage each other to try new things and who celebrate when they've pushed themselves to achieve something special.

**Guides get to have their say.** They decide together what to do in their weekly meetings, choosing from the wide range of skills and activities covered by 6 programme themes. So whether they want to try a new sport, have a go at performing, run a debate or brush up on first aid skills - they can. If there's an issue they really care about, Guides gives a chance to make a difference. They'll be encouraged to speak out about what matters to them and to do something about it.

**Guides are never stuck for something to do.** Whether they want to dedicate time to exploring the outdoors, focus on their hobbies, or challenge themselves with something new, there's something at Guides that suits everyone.

Guides can work towards interest badges if they choose to, about photography, geocaching, human rights and more, or they can develop life skills with our 'skills builders' and work hard to earn unique awards like the Commonwealth award, the Guide Gold award and 6 Theme awards, which will really help them at school and later in life.

Kingsley & Norley Guides meet on Monday evenings, 7.00-8.30pm.

## **COME AND SEE**

What's the best news you have ever heard? Perhaps you sometimes need time and space to think about the big questions of life.

There is to be a relaxed and informal course starting in the New Year called 'Christianity Explored' and it's at The Hurst Methodist Church, Kingsley, starting on 20<sup>th</sup> February. It's run by ordinary Christian people local to you. You can ask any questions you like – or just sit and listen.

For further information phone John or Kay Leach on 01928 787475

# Kingsley Walking Group

This year the Kingsley Walking Group will be having their Christmas walk and lunch at the Red Bull on Tuesday 11<sup>th</sup> December. There will be a walk available for everyone, including a pleasant amble, a short walk (roughly 3 miles) and a longer walk (roughly 5 miles). All the walks will start and end at the Red Bull. The short and long walkers will leave the Red Bull at 9.30 and the "ambling" group will leave at 11.00. Lunch will be at 1pm.

Everyone is welcome, especially members who haven't been able to join us for a while. The cost is £17.95 for 2 courses and £21.95 for 3 courses. If you'd like to join us, please email [KingsleywalkersWA6@gmail.com](mailto:KingsleywalkersWA6@gmail.com) or call 01928 78909 for details and a menu.

On 31 October, there was a five mile walk from Lymm. From the centre of Lymm we skirted the edge of the golf course to enter a wooded area with several ponds. We crossed to a track alongside the Manchester Ship Canal, which took us under the Thelwall viaduct, with its thunderous traffic. Continuing, we arrived at the Thelwall Ferry, which has operated since the Canal was constructed. From this peaceful spot we walked through the ancient village of Thelwall, before returning to Lymm via a picturesque stretch of the Bridgewater canal, and lunch at the Spreadingale pub. Ten of us enjoyed the walk, on a pleasant sunny day.

On 13<sup>th</sup> November there was an 8.5 mile walk starting from Caldy. Nine of us walked along the shoreline past West Kirkby towards Hilbre Point, where we had our morning coffee in glorious sunshine. We left the beach, passing through Hoylake and then across the fields seeing kestrels and other wildlife. Our walk took us past a fishing lakes, Royden Hall and then through Stapledon Wood back to Caldy.

Kingsley Walking Group have two walks each month: on the second Tuesday there is a long walk of 7 - 8.5 miles (bring a packed lunch); on the last Wednesday a short walk of approximately 5 miles with a coffee break and pub lunch. We meet at the Community Centre at 9.30am for the short walks and for the long walks in January and February. Note however an earlier start time of 9.00am for the long walks from March to November.

Information on the walks programme may be found on the Walking Club page of the Kingsley Village website. For more information call 788132 (short walks), 788068 (long walks).

## THANK YOU

1st Newton & Kingsley Cubs would like to thank everyone who so generously donated advent calendars, selection boxes and other items to their collection for the Runcorn Foodbank. We collected 115 advent calendars and selection boxes which were added to the collection which was organised by Tommy Billington in Frodsham. Thank you Kingsley.

## **Kingsley Garden Club**

The November meeting of the Garden Club was attended by twenty eight people to hear a very enthusiastic and passionate presentation from Anthony Norman of Conquest Plants, a nursery based in Macclesfield. Anthony's talk was entitled Autumn & Winter Plants, and showed the wide variety of plants that we can use in our gardens for colour and structure from September through to March. As Anthony demonstrated there is no need to have a "dead" garden over winter, many trees and shrubs (and even bulbs) can give us both colour from foliage, berries and bark, and structure that brings interest over the dull and cold days of winter. Anthony brought a large selection of plants which members were able to purchase after the talk.

There will be no meeting now until February 2019, as the committee decided that due to the very poor attendances in recent years at the January meeting generally as a result of the weather, it would be better to remove this from the programme.

On 11th February 2019, George Pilkington will be giving us a talk on Wildlife Gardening. George is a well respected naturalist and has written many books and works as advisor to many national bodies.

### **Gardening Tips and Jobs to be done....**

- Rake fallen leaves off your lawns onto borders, this will act as a mulch for plants
- Ensure all tree stakes and ties are in place to stop rocking of plants during the winter gales.
- Don't tidy your gardens too much, leave seed heads for birds and vegetation for small mammals and wildlife to shelter in.
- Protect tender plants such as olives and Bay with fleece over the foliage and bubble wrap on the pots.
- Put an insulated cover over your garden taps, or better still turn them off and drain the pipework.

May we wish all our members a very Peaceful and Happy Christmas and a Happy New Year. We look forward to seeing you all again in 2019, and to welcoming many more new members to the club.

## Kingsley Neighbourhood Plan

Thanks to everyone who completed the Neighbourhood Planning questionnaire that was sent with October's edition of Kingsley News or if you completed it online. We've had just under 200 completed surveys which is roughly a 25% response rate.

Our next step is to work on analysing your comments and then to develop some draft vision and objectives for the Kingsley Neighbourhood Plan. Once these are drafted, we will be holding a couple of 'drop-in' events, so we can check with you that we have got them right, as they will set the direction for what we will be aiming to achieve with the Neighbourhood Plan. The 'drop-in' events will be early in 2019 and we will advertise these in Kingsley News, as well as on our local village website and Facebook pages.

A big thanks also to everyone associated with Kingsley News, especially those involved in collating & distribution – we really appreciate your help in including our survey last month.

### **Interested in getting involved?**

Some people sent back survey forms and expressed an interest in getting involved but didn't provide any contact details. Anyone is welcome to join or attend our meetings. The NPSG meet on the first Monday of every month at the Hurst Methodist Church at 7.30pm. Our next meeting is on Monday 3<sup>rd</sup> December 2018. You can also email us on [kingsley.npsg@gmail.com](mailto:kingsley.npsg@gmail.com).

We will put regular updates on progress in articles in Kingsley News and on the village website & Facebook page.

## LITTER PICK UPDATE

The November litter pick had 11 bags of litter removed from the village by 10 of our team .

Thank you to all of the litter pick team and to other members of the village who collect litter for the benefit of us all.

There will be no December litter pick. The January litter pick will be on January 12th and the February one on the 9th of February.

A good New Year resolution for 2019 could be to join our team at the Community Centre 10.00. All equipment is provided.
