What's happening in The Forest

General Forest update – All carparks at Delamere are now cashless and the new car park system is being introduced over the next 2-3 weeks. This will include ANPR systems at Treetops and Whitefield Car parks.

New track matting has also been installed in the additional parking area. This will facilitate ease of parking in this area which is especially important during busy periods such as weekends and events.

The Grey route is now fully open. This includes all single-track mountain bike sections that were recently closed due to harvesting.

Go-Ape - Guess who's coming out of hibernation ? Segways are now available again to be booked at Delamere after their winter break.

Delamere Forest Café - Several events during April .

Monday 1st April - Easter themed afternoon teas. Pre booking is essential.

Wednesday 3rd April - National Walking Day - start your day the right way at the Café or finish the day with a well earned 'Chefs homemade pie of the day.'

Thursday 23rd April - St. Georges Day - Enjoy Traditional Cream Tea with English Breakfast Tea.

Free Dog Workshops - Our free workshops, in partnership with Holistic Pet Services are returning to Delamere in the coming months. Classes include helping owners with barking, recall, chasing and walking on-lead. Dates below:
