What's happening in The Forest

Forest Live 2025

We are excited to announce the 3rd act to perform at Forest Live is Gary Barlow on Saturday 14th June 2025. Tickets can be purchased on the Forest Live website. www.forestlive.com
Sign up for further updates on the Forestry England website. www.forestryengland.uk/music.

Land Management

We continue to work in areas that have windblow damage from Storm Darragh and Primrose Wood car park remains closed. We will continue to work on clearing damaged areas and opening paths.
Hogshead Lane felling is ongoing until January 2025. Once complete the nursery will be using the area as a seed orchard.

Delamere Forest Café

The café is celebrating Veganuary in January. Please visit the café for further information.

Whitefield Trail

Work on the Whitefield Trail will start on Monday 6th January – we would ask everyone to please follow all signage when using this area. The Civils preparation work will take place first and then installation will happen after that is completed. Website link below with further information on this and the other project areas and this will continue to be updated with key information: [Delamere redevelopment project | Forestry England](#)

Stickman Trail

Gruffalo Party Trail will be in place until mid-January and then Stickman Trail will launch at the beginning of February. Stickman packs to accompany the trail will be available from the Visitor Welcome point at a cost of £4.00.

HAPPY NEW YEAR!
